

Markfield Natural Burial Ground.

Prices 2019

Plots:-

Adult grave space for one person	£640
Child under 18	£430
Infant under 3	£200
Ashes plot	£185
Ashes scattering	£220

Grave preparation and administration – payable at the time of a funeral only.

Adult interment	£365
Child or infant interment	£250
Ashes interment	£135

These prices include the provision and planting of a memorial tree (60cm whip) - on or near the grave. The interment of ashes takes place around existing trees.

If families wish to plant something bigger than a whip we will arrange this as part of 'tree planting day' in late winter and will endeavour to source the best saplings, at the best prices, each year. The cost for this is somewhere between £70 to £150 depending on the size and species of tree. It also depends on the available space - we cannot plant large trees on every plot in the burial ground, as the trees would simply not thrive.

Memorial Plaque Grave Marker

In recognition of the fact that people will want to mark the grave, we do offer the option of having a laser engraved granite plaque installed. This must be supplied by us, and is best installed when the ground on and around the grave has settled. Plaques for cremated remains plots can be laid at the time of the ceremony. We need 14 days to order and prepare plaques for use.

£79.00 - supplied, engraved and laid. Please call us for more detail.
